

Childrens Prayer

Our Heavenly Father
we ask thy blessing
on all those assembled
here today and
especially the children
of our Sunday School.
Grant that we
may learn of thee
and about thee that
we may more fully
understand thy
Goodness to us
all whether at
Sunday School or

work or play. Help
us to be good students
of thy will and
to understand that
thou hast given us
this wonderful world
and the love of Father
and Mother, brothers
and sisters & that
thou hast planned
that we should live
in families and
grow up in it
the better, please

and the knowledge
of a safe home
with mother and
Father and that
Thou carest for all
both old and
young and Father
we pray that we
may not be content
to end our efforts
to serve Christ by
merely attending
Sunday School and

church. Help us to
produce good fruit
by daily deeds of Christian ^{service}
and to give to thee
of the abundance
thou hast provided
us. We ask this
in the name of thy
beloved son Jesus
Christ who taught
us when we pray to
say - Our Father Who
Art in Heaven -
